Ch. Bastion's Dark Shadow Tomboy CROM

Barney was a impressive dog that was a beautifully marked brindle with size substance and side gait. He was tragically lost in a house fire at a young age. His Son Corky carried on his wonderful top line and side gait. Tony Gurrolo showcased his boy out of Barney's second breeding. Owners Debbie and Jerry Marchand loved this boy and his loss was devastating to them. Dawn Hamilton and the Spohrs carried on a stunning brindle bitch, Cassie, won honors across the country and was ranked as number one bitch while being shown by the McFarlands
